PMKConsult

Mike Cairney - Managing Partner

Mike Cairney
BSc FAPM MICE C.DIR

Mike has worked as a professional Project Manager for over 35 years; more than 15 of which have been based in the Middle East.

In 2015 Mike set up PMKConsult with partner Kevin Woolley. The brand recognition in the UAE marketplace has been phenomenal and PMKConsult is currently working on some of the most prestigious new projects being developed right now. 'This a real is real testament to how our employees have supported our clients and we have gained a formidable reputation for delivery of projects'.

Projects undertaken since the formation of PMK include: Managing the design of a new 3 star branded Hotel chain in Dubai, the ongoing PMC services surrounding the new HQ Building for flydubai and representation on a number of legacy Claims/Litigation as an Expert Witness for UAE clients.

As a strong believer in 'you get out of projects what you put into them' Mike is an inspirational Director of Projects and a highly respected client representative - known for his ability to lead teams. His technical knowledge is highly respected, reflecting his extensive career and experience. He is a Chartered Director of the Institute of Directors.

'As one of the owners of the business I get greatest pleasure in seeing the growth of the PMKConsult family. As a company we are celebrating a maturity in the business, with a committed and talent team as we enter our 4th year'.

Since 2009, Mike has been based in Abu Dhabi working on major developments such as: The Hazza Bin Nahyan Football Stadium in Al Ain, the Landmark Tower in Abu Dhabi and the New Souk at Central Market (now WTC) in the centre of the town.

I am always up for a round of golf when time permits, and, still a scratch bowler in a tenpin bowling alley.

I held the Guinness world record for Domino Toppling in the years 1984/5 setting up 163,713 units that fell over from a single push (it took 14 days to set up and over 44 minutes to fall over).
